## Press Release

### Precision Electronics Limited Reports Strong Q1 FY25 Results with 211% YoY Revenue Growth

**Noida, August 6, 2025** – Precision Electronics Limited (BSE: PRECISIO), a leading provider of Tactical Infrastructure and Defence solutions, announced its financial results for the first quarter of FY2024–25, delivering strong operational performance and continued strategic momentum.

### Key Financial Highlights – Q1 FY25

- **Revenue:** ₹22.38 crore
- **Quarter-on-Quarter (QoQ) Growth:** 24%
- **Year-on-Year (YoY) Growth:** 211%
- **Order Book:** ₹56 crore

### Business Performance & Strategic Highlights

PEL's **Tactical Infrastructure** segment — comprising **Telescopic Masts, Tripods, and Pan-Tilt Units** — has sustained its strong growth trajectory, nearly doubling revenue each year since FY2022–23. This growth is underpinned by increasing domestic demand driven by India's **Make in India** and **Atmanirbhar Bharat** initiatives in the Security and Defence sectors.

In a significant achievement, a **military of a major Western nation** has selected **PEL's Tactical Infra systems** over products from established European and American manufacturers, validating the company's engineering excellence and global competitiveness.

PEL is also expanding into **precision-machined parts for the Aerospace & Defence sectors**. The company has secured **Letters of Intent (LoIs) worth ₹65 crore** from major **OEMs**, marking a new growth vertical for the organization. PEL is doubling its production capacity and has taken **7,000 Sq Mt additional space at Sector 58, Ballabhgarh, Haryana**. **Production is slated to start by October 2025**. This will enable fast turnaround of orders and will enhance profitability.

## Precision Electronics Limited

---

**Commenting on the results, the management of Precision Electronics Limited stated:**

“Our Q1 performance reflects the strength of our strategy and the growing trust in Indian manufacturing for defence applications. The consistent growth in our Tactical Infrastructure business, combined with the traction in our new Aerospace & Defence machining vertical, sets the stage for a strong and diversified growth path ahead.”

Precision Electronics Limited remains committed to delivering high-quality, indigenously designed and manufactured solutions in line with national priorities for defence self-reliance.

### **About Precision Electronics Limited.**

Precision Electronics Limited (PEL), listed on the Bombay Stock Exchange (BSE: PRECISIO), is a trusted Indian provider of Tactical Infrastructure, Electronic Systems, and Defence-grade Precision Components. With a strong focus on indigenous innovation and global quality standards, PEL supports India's national defence, security, and aerospace capabilities.
